WORLD WAR**

United Post of the American Legion will be hosts to the annual Christmas party for the members of the post and their families at the Rock Island Hotel Saturday night at 8 o'clock.

All ex-servicemen and their families are cordially invited to the party. The entertainment will be given by the members of the post and their families. The party will continue until 11 o'clock.

There is no reason why you should go home at any time. Says Brennan, "For everybody will be there to see a good time, and there is no party until there is no more to be had at the Legion hall. That won't be until late."

The stag is the first of a series of entertainments for the members of the post and veterans of the world war.

BLACK THREATENED BY FIRE.
(Special to The Argus.)
Galesburg, Ill., Dec. 14.—Nine automobiles were partially burned and scorched and considerable machinery was damaged along with the building which housed them here Saturday evening. The fire, of unknown origin, broke out in a building on Grand avenue, owned by George Conley and occupied by C. M. Dodds, a garage man, and Alters Brothers, blacksmiths. Most of the damage is covered by insurance.

ance, the loss being about \$3,000. Among the cars was a truck belonging to the Illinois Oil company, and at the time containing more than a hundred gallons of gasoline. Had this become sufficiently heated to explode the fire might have turned into a catastrophe. As it was, flames leaped with the flames for more than an hour, in and around the blazing mass, unconscious of the danger to which they were exposed, and did not learn of it until afterwards.

Y. M. C. A. Notes
An interesting evening consisting of an enjoyable program with games and social conversation was spent at the Y last evening at a joint meeting of the Y. M. C. A. and Y. W. C. A. assembly folks. James Berry gave a reading, "The Gold Louis," and vocal solos were given by Miss Sarah Samson, accompanied by Miss Ethel Hines on the piano.

INITIATION TONIGHT.
Forty-five candidates will be initiated into Tri-City lodge, No. 437, Independent Order of B'nai B'rith, at 8 o'clock this evening at the lodge headquarters above the Spencer Square theatre. The degree work will be conferred by a team from Chicago.
